Sponsorship Opportunities

IoT Summit is a forum to present, highlight and discuss the latest products, applications, development, and business opportunities in IoT. The market for IoT, sensors, wearables,cloud, and related technologies is expanding at a phenomenal rate. The conference brings together researchers, developers, and practitioners from diverse fields including scientists and engineers, research institutes, and industry. IoT Tech Summit is the 5th event produced and sponsored by the International Society for Quality Electronic Design.

The climate in the Sensors and IoT industry is dynamic, so don't miss an opportunity to make an impact on this key audience.
